STAT

March 21, 1977

Dear Admiral Turner:

Just another Rhode Islander sending you  
congratulations.....!

You may not remember, but my husband, Bill,  
and I met you at [redacted] party last  
June in Providence. We talked about our mutual  
friends at the Providence Journal-Bulletin: namely  
[redacted] (I still write social  
news at the paper.)

Bill and I "felt GOOD" when we heard about  
your appointment - and even better when we saw your  
TV press conference yesterday.

You're a GOOD man for the job. We wish you  
good luck, good health and much happiness.

STAT

Sincerely,

*Gloria Maroni*

(Mrs. W. F. Maroni)
